## LIUNA Code of Performance Acknowledgement Form

The goal of the Code of Performance is to ensure that our membership meets the highest standards in our industries. Our aim is to deliver craftsmanship that exceeds the expectations of our contractors and their customers. We want to create and maintain a work force that makes contractors want to be Union and owners want to build Union.

Meeting these goals requires that members understand and incorporate these values in their day-to-day performance. Accordingly, as a member of the Laborers' International Union of North America I agree to:

- Acquire the necessary skills through apprenticeship and/or training programs.
- Report promptly upon referral to a job and show up for work on time, ready, willing and able to work.
- Be aware of and follow the Local Union's job referral rules.
- Avoid excessive absenteeism and excessive tardiness.
- Follow directions from supervisors.
- Not be insubordinate.
- Give a fair day's work
- Treat the Employer's and customer's tools and property and those of fellow workers with respect.
- Avoid disruptions on the job by using the established procedures to resolve disputes.
- Understand and use safe practices and safety equipment.

I acknowledge this responsibility and pledge my word to do the same and acknowledge that I have received, read and understand the LIUNA Code of Performance.
